TO WHOM IT MAY CONCERN

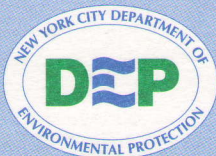

AEG (Architecture & Engineering Group, P.C.) was retained by Volmar Construction, Inc. a general contractor of the Bureau of Wastewater Treatment(BWT) of the NY City Department of Environmental Protection(DEP) to prepare a presentation for Art Commission for approval of 26 Ward Wastewater Pollution Control Plant located at 122-66 Flatlands Avenue, Brooklyn, NY 11207.

AEG visited the site and prepared architectural renderings of the proposed perimeter wall of the plant and all the required documents/application required for Art Commission review & approval. AEG completed the assignment within the agreed time scheduled.

DEP is satisfied with AEG's performance and delivery on the assignment and will be pleased to recommend AEG to any agency requiring Architectural/Engineering Services.
